

M+ (MOISTURE PLUS) 3D COSMETIC SHEET FACE MASK FOR DRY SKIN - 5 PACK/30ML BEAUTY ESSENCE PER SHEET

DESCRIPTION

Facial sheet mask (Bio-cellulose) for Dry Skin and deep moisturizing. Nanotechnology delivered and highly osmotic ingredients ensure high moisture penetration into outer layer of the skin (epidermis). The featuring natural ingredients are superior quality, and carefully selected, to guarantee the delivery of desired benefits. Each sheet is soaked with 30 ml of beauty essence - serum (Alcaligenes-producing polysaccharide, Hydrolyzed collagen, Hydrolyzed royal jelly extract, Hyaluronic acid Na, Luffa fruit/leaf/stem extract, Cucumber fruit extract, Erythritol). Controlled tests proved significant improvements in overall skin condition - smoothness, softness, gloss, clarity, elasticity, pore tightening, laugh lines, sagging and dullness. Minimum 10.4 % * and up to 55% * increase in skin moisture content after 4 weeks of use. Easy to open and apply. 3D design makes it a perfect fit to face, sides of the nose and carves along the jaw lines. 100% Japanese manufacturing, quality, and technology.

HOW TO USE

- Thoroughly cleanse and dry your face. Wash your hands.
- Take the mask out from the pack and spread it out to create a 3D shape. Apply immediately after opening. Watch for drippings and collect them on your palm.
- Align the mask with your chin; align center line of the mask with the center line of your face. Apply on your face and press lightly to ensure good adherence.
- Wear the mask for 5-15 min., remove it and apply on your face the droplets left on your hand and leftover in the package.
- Afterwards, treat your face with lotion or cream.
- Discard after single use.

TIP – Apply at least twice a week for 4 weeks to see results. The optimal recommended period of treatment, for the best results, is 6 to 8 weeks. Do not exceed the maximum single application time of 15 minutes. Make sure to choose the right type of mask for your skin type and condition.
