

ENHANCE LIFTING SERUM 30ML

PART OF EN BRAND – JAPANESE LUXURY COSMETIC LINE YOU DESERVE

**MADE IN JAPAN – at the foothills of Mt. Fuji
QUALITY YOU CAN TRUST**

A perfect all-day skin maintenance and total care serum. It contains 3% hydrolyzed golden swallow's nest extract; a superior quality extract processed according to proprietary technology and in GMP certified facility.

Golden swallow's extract facilitates regeneration of skin cells, moisturizes skin on a cellular level, and supports production of collagen and elastin. It also promotes skin healing abilities and enhances cells mediated immunity. This extract is the richest natural source of sialic acid and its content is 200 times higher than in Royal Jelly, the second best source.

THIS IS A HIGHLY EFFECTIVE ANTI-AGING SERUM FOR MULTIPURPOSE CARE:

- supports skin lifting
- acts as an antioxidant
- prevents dullness
- has anti-pollution properties
- enhances skin brightness
- helps with sustaining suppleness and moisture

Carefully selected and unique ingredients ensure the specific benefits. Hydrolyzed golden swallow's nest extract, black soybean extract, and membrane-type collagen provide a feminine suppleness, superb protection effect and moisture retention, which all are well manifested at the skin surface. Those ingredients also control damage caused by ultraviolet radiation. Japanese rose extract and Fuji bilberry fruit fermentation extract maintain skin brightness.

This product prevents PM 2.5 from adhering to skin and reduces skin stress caused by air pollutants.

The skin is soaked in the fragrances of fresh grapefruit oil and elegant, morning picked Bulgarian rose oil.

MAIN SKIN BEAUTIFICATION EFFECTS & RELATED INGREDIENTS:

1. Lifting up

Improves expression wrinkles caused by the contraction of facial expression muscles.

(Acetyl hexapeptide -8, penta peptide -18)

2. Antioxidant

Protects skin from active oxygen damage caused by ultraviolet radiation.

(Superoxide dismutase, fullerene)

3. Hydration

The hydration effect of collagen and hyaluronic acid Na prevents drying of skin during the day. Collagen, having the same triple helix molecular structure as living tissue, forms a fiber membrane that provides long-term retention of large amounts of bound water. Cell renewal is promoted by the EGF (Epidermal Growth Factor) action of swallow's nest extract. Black soybean extract provides suppleness from within through estrogenic action.

4. Dullness prevention

Fuji bilberry fruit fermentation extract inhibits the generation of melanin, while hybrid rose flower extract inhibits glycation. Spots and dullness are prevented, maintaining skin brightness.

5. Anti-pollution

Prevents the adherence of cigarette smoke, PM2.5, and heavy metals, which are the factors causing spots, dullness, and inflammation.

INGREDIENTS MAINTAINING SKIN BEAUTY THROUGHOUT THE DAY:

- Argireline, leuphasyl - peptides for improving expression wrinkles
- Superoxide dismutase -antioxidant
- Fullerene –antioxidant
- Hydrolyzed soybean extract (black soybean)- estrogenic action
- Hybrid rose flower extract - antioxidant, anti-glycation
- Fuji bilberry fruit fermentation extract - tyrosinase activity inhibition
- Collagen, hyaluronic acid - sustained hydration
- Alteromonas fermentation extract -PM2.5 adherence prevention, heavy metal chelating

FRAGRANCES (OILS):

Grapefruit, Bulgarian rose

INGREDIENTS:

Water

Xylitol

Hydrolyzed Swiftlet Nest Extract

Alteromonas ferment Extract

Sodium Hyaluronate

Soluble Collagen

Hydrolyzed Soybean Extract (Black Soybean)

Pantapeptide-18

Rosa hybrid Flower Extract

Fullerenes

Superoxide Dismutase

Acetyl Hexapeptide-8

Saccharomyces/Vaccinium Vitis-Idaea/fruit ferment Extract

Phellodendron Amurense Bark Extract

PEG-20 Sorbitan Cocoate

Caprylyl Glycol

PVP

Glycerin

Propanediol

Tremella Fuciformis Polysaccharide

Carbomer

Butylene Glycol

Potassium Hydroxide

Citrus Grandis(Grapefruit) Pell Oil

Rosa Damascena Flower Oil

Phenoxyethanol

Idopropynyl Butylcarbamate

Hydroxypropyl Cyclodextrin

HOW TO USE

Apply gently and evenly onto face and neck.

Use Serum as **STEP 1** in a total skin care process:

STEP 1 ENHANCE LIFTING SERUM 30ml

STEP 2 ENRICHED NEW SYNERGY LIFTING CREAM 30g

STEP 3 EXCLUSIVE CLEANSING BALM 80g

CAUTIONS:

Avoid contact with eyes. Do not use if you have skin problems. Discontinue using if signs of irritation or rash appear. In case of complications, please contact your physician. For external use only.

STORAGE:

Store at room temperature, away from heat and moisture, and avoid high humidity.

Keep out of reach of children.
