

ENRICHED NEW SYNERGY LIFTING CREAM 30G

PART OF EN BRAND – JAPANESE LUXURY COSMETIC LINE YOU DESERVE

**MADE IN JAPAN – at the foothills of Mt. Fuji
QUALITY YOU CAN TRUST**

This is a luxury anti-aging cream for multi-care and restoring skin from inside out. Its 7% hydrolyzed golden swallow's nest extract boasts the highest content of sialic acid in the world. This cream triggers regeneration of skin's cells, moisturizes skin on a cellular level, and promotes production of collagen and elastin. A star ingredient in the formula, the golden swallow's nest extract, has also healing properties and enhances cells mediated immunity.

Your skin is repaired through the power of carefully selected penetration-type ingredients and brown rice husks. Cell renewal is promoted by the actions of EGF (Epidermal Growth Factor) and FGF (Fibroblast Growth Factor), the important functional ingredients found in hydrolyzed golden swallow's nest extract. These two ingredients are essential in ensuring skin suppleness, and clearly refine skin smoothness and expression lines.

This is a high performance cream that offers a multi-care approach to the signs of aging and helps to mitigate their prevalence. The extract from the fermentation of brown rice husks and malted rice, is rich in amino acids and B vitamins, and provides moisture and brightness to the skin. The other ingredients included in the formula; ceramides derived from brown rice husks and citrus junos, rice bran oil containing γ -oryzanol and vitamin E; deliver a superb emollient effect, boost skin's barrier function and lead to the flawless skin.

Continuing application of our cream results in a noticeable reduction in the appearance of fine lines and wrinkles.

The cream's fresh fragrance, which comes from a natural essential oil complex, is soothing and relaxing.

HIGHLY PENETRATIVE INGREDIENTS RESTORE SKIN FROM THE INSIDE OUT:

The vegetable oils and ceramides boost the barrier function of the skin surface.

Micro collagen and low-molecular-weight hyaluronic acid have excellent penetration characteristics, providing sustained hydration of the skin both from within and on the surface.

A complex vitamin emulsion, created by using hydrogenated lecithin, facilitates the nano-emulsification of derivatives of four vitamins -A, B, C and E. This unique skin beautification system, nano-emulsification, boosts the penetration of those compounds into the skin, where the combined action of antioxidants and other factors prevents age-related wrinkles and sagging.

Cell renewal is promoted by the EGF (Epidermal Growth Factor) action of swallow's nest extract, leading to skin suppleness.

Nano glabridin inhibits the production of melanin and also ensures an EGF-like action that activates cells. It both beautifies the skin and makes it supple.

Sphingoglycolipid, derived from brown rice husks, and ceramide, derived from citrus junos, restore the skin's barrier function.

HYDRATION & SKIN BARRIER FUNCTION - RESTORATION INGREDIENTS:

- Rice bran oil (emollient)
- Rice bran sphingoglycolipid
(melanin generation inhibiting effect, hydration effect, cell activation effect, barrier function strengthening)
- Citrus junos ceramides
(moisturizing, barrier function strengthening)

HIGHLY PENETRATIVE ANTI-AGING INGREDIENTS:

- Pro-ceramide nano white
(liposome with skin beautification and cell activation effect)
- Fish collagen peptides (cell activation)
- Oligo hyaluronic acid (hydration)
- Vitamins A, B, C, E (emulsion)

FRAGRANCES (OILS):

Grapefruit, Lemon, Lavender, Bergamot, Roman Chamomile

INGREDIENTS:

Water
Glycerin
Propanediol
Squalane
Cholesteryl/Behenyl/Octyldodecyl Lauroyl Glutamate
Pentylene Glycol
Hydrolyzed Swiftlet Nest Extract
Citrus Junos Fruit Extract
Ascorbyl Tetraisopalmitate
Retinyl Palmitate
Arachis Hypogaea (Peanut) Oil
Panthenol
Oryza Sativa (Rice) Bran Oil
Glycosphingolipids
Sphingomyelin
Glabridin
Hydrolyzed Collagen
Hydrolyzed Hyaluronic Acid
Phellodendron Amurense Bark Extract
Polysorbate 60
Sorbitan Isostearate
Behenyl Alcohol
Polyglyceryl-10 Pentastearate
Sodium Stearoyl Lactylate
Dimethicone
Hydrogenated Lecithin
Sorbitol
Polyglyceryl-10 Oleate
Lecithin
Tocopherol
Butylene Glycol
Hydroxyethyl Acrylate/Sodium Acryloyldimethyl Turate Copolymer
Carbomer
Xanthan Gum
Potassium Hydroxide
Citrus Grandis (Grapefruit) Peel Oil

Citrus Limon (Lemon) Peel Oil
Lavandula Angustifolia (Lavender) Oil
Citrus Aurantium Bergamia (Bergamot) Fruit Oil
Anthemis Nobilis Flower Oil
Idopropynyl Butylcarbamate
Hydroxypropyl Cyclodextrin
Phenoxyethanol

HOW TO USE

Apply gently and evenly onto face and neck.
Use Lifting Cream as **STEP 2** in a total skin care process:

STEP 1 ENHANCE LIFTING SERUM 30ml

STEP 2 ENRICHED NEW SYNERGY LIFTING CREAM 30g

STEP 3 EXCLUSIVE CLEANSING BALM 80g

CAUTIONS:

Avoid contact with eyes. Do not use if you have skin problems. Discontinue using if signs of irritation or rash appear. In case of complications, please contact your physician. For external use only.

STORAGE:

Store at room temperature, away from heat and moisture, and avoid high humidity.

Keep out of reach of children.
