

YUKI NO HADA DELUXE HEALTH & BEAUTY DRINK 10X30ML **(1 OZ)**

JAPANESE LUXURY HEALTH AND BEAUTY DRINK YOU DESERVE

MADE IN JAPAN
QUALITY YOU CAN TRUST

This is an exclusive health and beauty drink made from the highest grade natural ingredients and hydrolyzed golden swallow's nest extract. The premium quality golden swallow's nest extract is a rarity and a precious, extremely expensive natural substance which has been known in Asia for thousands of years for its anti-aging properties. It was always sought after by emperors, upper classes, and nowadays celebrities and people who cherish beauty and health, regardless of its high price.

Each bottle contains 40% hydrolyzed golden swallow's nest extract which boast the highest content of sialic acid coming from natural sources. The extract is manufactured according to a proprietary, enzymatic decomposition technology which delivers nano sized particles enabling a superb bioavailability.

Active and functional ingredients present in golden swallow's nest extract, include: sialic acid, EGF, FGF, MSF, glucosamine and other moisture-retaining proteins that help renew your entire body cells, skin, hair, nails and all organs. They ensure the improvements in natural healing abilities, appearance of skin and visible reduction in wrinkles and sagging. Our drink has a very tasty lychee flavor and delivers unparalleled spectrum of benefits supporting your optimal health & beauty from inside out.

The drink is made in Toyama prefecture, Japanese Mecca of water.

TOP HEALTH BENEFITS:

- Strengthens immune functions
- Promotes endurance, stamina and vitality
- Supports cognitive functions
- Improves blood circulation
- Reduces feeling of fatigue
- Improves physical performance

KEY FUNCTIONAL INGREDIENTS IN GOLDEN SWALLOW'S NEST EXTRACT AND THEIR FUNCTIONS:

SIALIC ACID

- Immunity enhancer
- Viral resistance support
- Hair restoration action
- Antioxidant
- Skin rejuvenation

EGF (EPIDERMAL GROWTH FACTOR)

- Promotion of epithelial cell metabolism
- Tissue repair action
- Internal cell regulation
- Furnishing of nutrients to skin's tissue cells
- Skin neogenesis (cell growth and tissue regeneration)
- Production of collagen, elastin and hyaluronic acid
- Improves moisture content and elasticity
- Decreases pigmentation
- Slows skin aging process

FGF (FIBROBLAST GROWTH FACTOR)

- Anti-aging factor
- Muscle enhancer
- Skeletal system enhancer
- Cell proliferation
- Cell migration (tissue formation, wound healing, immune response)
- Cell differentiation
- Angiogenesis (formation of new blood vessels)

MSF (MITOCHONDRIAL import STIMULATION FACTOR)

It is responsible for import of different proteins into mitochondria.

This process is initiated by the interaction of the amino-terminal targeting sequence with mitochondrial import-stimulating factor (MSF), which selectively binds mitochondrial precursor proteins. (1)

- Influence anti-aging functions
- Influence anti-oxidant functions

PLUS THE POWER OF COMPLEMENTARY INGREDIENTS:

FISH COLLAGEN

- Superior purity and absorption level
- Improves and complements anti-aging actions of golden swallow's nest extract
- Anti-aging effect
- Antioxidant protection
- Enhances hydration
- Improves elasticity
- Decreases visible fine lines and wrinkles

HYALURONIC ACID

- Fortifies collagen effects
- Moisturizer – binds water in the cells
- Increases elasticity of the tissues
- Anti-aging effect
- Promotes healthier, more supple skin
- Speeds up wound healing
- Reduces appearance of fine lines and wrinkles

GLUTEN FREE

DIRECTIONS & CAUTIONS

Shake well before use. Drink 1 bottle per day before meals. If you split the daily dose in 2 (morning and evening), refrigerate after opening.

Sediment found at the bottom of the bottle is natural and can be consumed.

CAUTIONS:

Consult a health professional prior to use if you take medications or are pregnant or breastfeeding. Stop using immediately if you experience any adverse reactions. Intended for adults only, 18 years and older.

STORAGE:

Store in a cool, dry place, away from sunlight. Refrigerate after opening.

Keep out of reach of children.
